## QA Department Notes:

Client is good but asking questions about this campaign. He has a business partner as well. He is already registered on Google and has a website <https://bina-llc.business.site/>. He saw our reviews but Blake handled him very technically and told him that those reviews are fake. Blake sent him a Zoom meeting link and further talked with him on Zoom and showed him that we are Google certified partners and he's satisfied and got the payment. Blake quoted \$200 for his listing optimization. Blake told him to give at least three months to this campaign to see great results. Client said to Blake that if you are doing a good job, I'll give you another business as well and if you do not perform well then, I'll cancel the services so we have to perform well to make him our permanent client. He has two Google listings with the same business name (**Bina LLC**) but different businesses one is for Notary public (2 reviews on Google) and the other one is for consultant (1 review on Google). He is already coming up number 1 with Google maps. **We have to optimize his notary business listing.**

## Additional Notes:

It was an old follow up of Peter that Blake closed today.
