**QA Notes:** Client is very kind and friendly also easy to go so deal accordingly. She signed up for the 3month contract for \$500 every month, we have to create a website for her, we have to get her registered on Google My Business and we have to get her on the first page of Google 2 times. We have committed that if you will not get top page placements after three months you will get your money back. Though he has already signed a contract in which it is clearly stated that there is no refund but kindly take care of her results that she will be on top as mentioned.

She wants her assistant to manage her account and everything on her Online presence so kindly talk to her for the final activation : Melissa [\(909\) 647-8771](tel:9096478771)
