Client is humble and understanding. He is already registered on Google and has a website <https://elijahstreecare.com/>. Blake quoted **\$200** for his listing optimization. Blake told him to give at least three months to this campaign to see great results. He is looking for good results so we have to perform well to make him our permanent client. Blake quoted **\$125** one-time charge for some changes in his website and he agreed. Client's website is designed on word press. Client wants some changes in his website these are;

1. Call now action button
2. Post photos and content

when client provide us then we have to post on his website.

GMB Optimization: \$200

Additional Notes:

He has three more listings so we have to perform well to get a chance for his other listings as well.

He said that just because of the short time he don't have photos and content to post on his website so whenever he will provide the photos and content, we have to get the changes done because he already paid for website changes so deal him accordingly.
