QA Department Notes:

Client is nice but a bit skeptical and asks so many questions so deal him accordingly. He is not registered on Google and doesn't have a website. Emma pitched him for Ezee webpage, sent him a sample of the webpage and quoted **\$250** for 5 Ezee webpages. Webpages will be delivered within 4-5 working days. Emma told him to give at least three months to this campaign to see great results. He is looking for good results so we have to perform well to make him our permanent client. Emma pitched him for a voice searcher and quoted \$75 one-time charge but he denied and got offended so deal him very technically.
