QA Department Notes:

Client is good and easy to go with. He is already registered on Google and has a website <https://alaska-treasure.com/>. Blake quoted **\$225** for his listing optimization. Blake told him to give at least three months to this campaign to see great results. He is looking for good results so we have to perform well to make him our permanent client. Blake pitched him for a voice searcher and quoted \$100 one-time charge but he got offended and denied it so please don't upsell him anything in the first month and he is already working with another company so deal him accordingly.

Additional Notes:

It was an old follow up of Albert that Blake closed today.
