QA Departmental Notes:

He saw our reviews that we sell website and their bills do not remain \$250. He is no willing to target city he wants to target mountains. He is a good listener likes suggestion but we have to be so careful and not try to upsell him as he saw our negative reviews. He is looking for the results in first month. Hamza tried to register him but his address is having some issue so we have to manage accordingly Jacob told him it might take 40 days due to registration.
