QA Notes: Client is very nice and good listener too. He is curious to get website up to his desire because he has multiple bad experiences previously so deal accordingly. He is looking for a website just like **A4 painting Plus** and we have to start from scratch. We need to create the service pages for all the services which are mentioned on their current website. They are also looking to Integrate their Merchant into the website. We also have to provide them with the Instant Quote Calculator as we have on Green Clean Website.
