QA Department Notes:

He is a nice and humble client. He is already registered on Google and had a website too. He had two websites, one of them is disabled which he bought from Go Daddy so deal him accordingly. Brian told him about the drone shots for his website and asked for the access for that. Brian asked for the card but he said I am driving to my home shortly and then call back for card details. Brian texted his direct line and asked to call him on his line.

Additional Notes:

We do not have the last call in which sale is closed by Brian so kindly handle accordingly.
