QA Department Notes:

Client is very humble and understanding. She is already registered on Google and had a website too <https://saramillerphotostudio.com/>. Blake told her that he will post videos for her on YouTube channel but she said that I have a company that I can make videos for myself. Blake coated \$200 for her listing optimization. She saw our reviews but Blake handle her very technically so deal her accordingly.

Additional Notes:

If we perform well in first month, then she will move forward for the next month.
