Name: Karen Allen

Email: AllenandCo@gmail.comMessage: Your site looks great but I did notice that the following link is broken: <https://acecarpetcleaning.info/carpet-cleaning/>

I saw a couple small issues like this. I thought you would like to know!

In case you wanted to fix it, in the past we've used services from a website like DeadLinkInspector.com to keep our site error-free.

Good Morning,

Hope you are doing well. Yes, I saw this and there is no such single page for carpet cleaning. If you go to the website in the services tab you would be able to see all the services there is no such tab as being told by Miss Karen. This is a way of doing scams.
