QA Department Notes:

Client is humble and understanding. He is already registered on Google and has a website <http://extremeimagedetailing.com/>. Blake quoted \$225 for his listing optimization. Client asked from Blake that can you guarantee within a month I'm on the top of the Google first page and Blake said yes I'll get you on Google first page with some good keywords. Blake told him to give at least three months to this campaign to see great results. He is looking for good results so we have to perform well to make him our permanent client. Blake pitched him for a website but the client said the website that he has, there's a guy who handles his Facebook and website so he denied.
