QA Department Notes:

Client is humble and understanding. He is already registered on Google having a great listing and has a website <https://allaroundremoval.net/>. Blake quoted \$225 for his listing optimization. Blake told him to give at least three months to this campaign to see great results. He is looking for good results so we have to perform well to make him our permanent client. Client told Blake that you are registered on Yelp and Trust pilot as well but Blake told him that these accounts do not belong to us and showed him our Google listing. Blake sent him a link and showed him that we are certified partners of Google.

Additional Notes:

He is coming up on the first page with several keywords as well.
